

Album Design

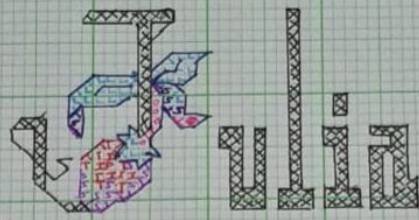

If you want to create a personalised design for birthday, wedding or farewell album for your loved one or friends, doing embroidery cross stitch is also very interesting and heart warming. You may purchase a 50 pockets to 200 pockets of plain album. The album that I had purchased was a 200 pockets of album measuring 9inches X 7.2inches X 2inches (23cm X 18.5cm X 4.8cm). Cut the cross stitch cloth to 9inches X 7.1inches (23cm X 18cm).
